

## **FAMILY #1A**

(Information updated June 2024)

**These are the descendants of Antonio Gurulé, the son of Santiago Gurulé and Elena Gallegos, and his “assumed” relationship with Rosa, the Indian servant in the household as shown in the 1750 census. Though we suspected for years, now we know for sure....Y-DNA 700 level testing has confirmed that Antonio Gurulé fathered this Antonio, born 1742.**

**[Family #5 was renumbered and is now Family #1A]**
